To know Christ, make Him known, and help others do the same™

Educational Development among the Under-resourced

EDUCATION OPENS A
PATHWAY FOR THE GOSPEL TO
ADVANCE AMONG THE NATIONS

With EDU, you can advance God's Kingdom using your passion for missions and professional training in education.

Our aim is to assist under-resourced communities around the world by providing educational services in:

Providing strategic development for schools and English teaching companies

Developing curriculum

Training local and expat teachers

Assessing students

Evaluating schools

Recruiting educators

P Professional

A Authentic

T Transformational

H Holistic

With EDU, you can work with Navigator educational initiatives worldwide at all levels:

Pre-school

K-12

University

Private business

INTRODUCTION TO

MISSIONAL EDUCATION

MISSIONAL EDUCATION SEMINAR

Interested in using your teaching skills and experience to multiply spiritual generations among the nations?

This weekend gives you the opportunity to explore your calling, meet with experienced Navigator teachers, and learn about specific opportunities to serve as a teacher and a Navigator disciplemaker around the world.

Visit navigatorsworldmissions.org/events to learn more.

So whether you are a certified teacher of any grade from pre-K to 12, university professor, TESOL instructor, or other professional educator, we will seek to help you find the best fit for your skills and passion.
