

ONE TO ONE PLAN

God's Heart for Nations / Peoples

OBJECTIVE:

To show that God's plan has always been worldwide from beginning to end (Genesis to Revelation), and challenge him/her to consider his/her role in that plan. This 1-1 Plan may be broken up into multiple sittings if necessary.

Pursue Relationship: (Continue to know, connect, and build trust with the individual.)

Personal Processing: (What God is teaching him/her, doing in his/her life, and questions he/she has.)

- What comes to mind when you think hear the phrase, "Great Commission?"
- Have you ever traveled outside the US before? OR Have you interacted with a different culture before?
 - What was that like? What did you experience? What did you enjoy or not enjoy?
- Have you ever considered what God thinks about different cultures? What do you think he thinks and/or feels towards _____ (name a people group)? Is it different than how he thinks about your/our people group?

Practical Truths: (Opportunity to provide content.)

Introduce the concept/theme:

- Do you think God has a mission/purpose He wants to accomplish in the world? Why/why not?
- If so, how can we know that He has a mission? How can we know what that mission is?
- What do you think that mission might be?
