

Stories from the field

“Ben* is always saying ‘praise God.’ He says this even while we are working out or hiking. I have never met anyone like him. I don’t believe in Jesus yet. But, when I do, I know that I will go all out, like him.

{ Ben’s friend Adil* from Central Asia }

NATIONS WITHIN

Helping you reach the nations right here, right now

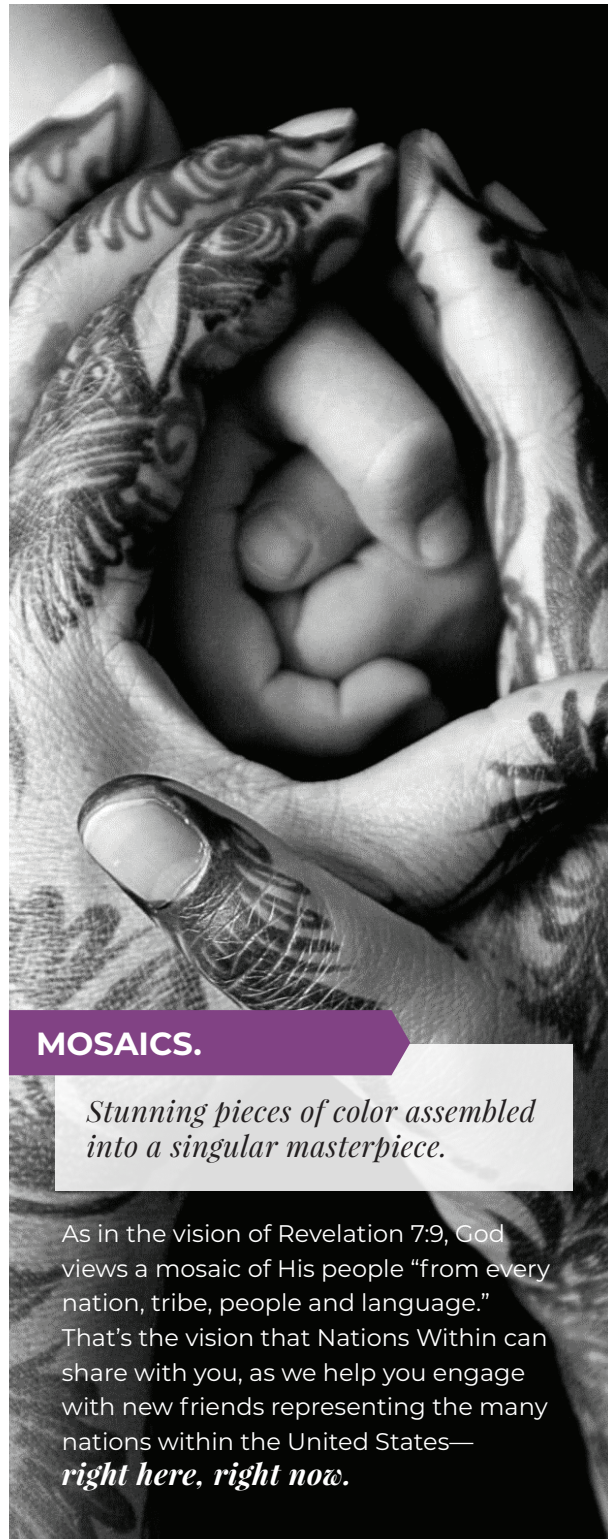

///

HAVE YOU COME IN CONTACT WITH A FRIEND—OR A POTENTIAL FRIEND—FROM ANOTHER NATION WHO PRACTICES A DIFFERENT FAITH?

Want to learn how God could use you in the life of that friend that he's brought from among the nations to your community?

Navigators Nations Within can come alongside to help you know Christ more deeply, share Him with friends that God is bringing from the nations, then help those friends do the same.

God is moving. And the nations are moving here, within our midst. People are opening up and available at a key time in history, waiting to meet someone like you.

MOSAICS.

Stunning pieces of color assembled into a singular masterpiece.

As in the vision of Revelation 7:9, God views a mosaic of His people “from every nation, tribe, people and language.” That’s the vision that Nations Within can share with you, as we help you engage with new friends representing the many nations within the United States—*right here, right now.*

ENGAGING WITH PEOPLE

Nations Within helps you engage with people living in your community who are from widely varying cultural and national identities—each person a special piece in the mosaic that God is designing.

SHARING CHRIST

You can be a part of a team that wants to know Christ, make Him known, and help others do the same with their families and friends, allowing the gospel to move along relational networks.

BUILDING RELATIONSHIPS

Our teams of everyday people purposefully develop intercultural relationships within our friends’ context—like art, a rewarding, messy, and beautiful process.
